

WE ARE CALLED

St. Thomas More Catholic Campus

Ministry at SU offers students an

opportunity to put into action the

call of Christ -

To love God with your whole heart

and

to love your neighbor as yourself.

”Be doers of the word, not merely

hearers...being not hearers who

forget but doers who act—they will

be blessed in their doing.”

James 1:22-25...

Why and Who?

We are all different. Some of us relate with younger or older individuals and some of us relate with certain challenging circumstances better than others. Currently, there are three communities which need our attention...the Poor, the Sick and the Children. Consistent and continuous is the need for human contact. Our presence in compassion, understanding and willingness to assist provides... the one who has less...to realize that they are not forgotten but cared for and of value.

If you believe there should be others represented among these, please make us aware.
